Dear Parents and Carers,

Welcome to Year 2! We hope that you and your family had an enjoyable and restful summer holiday. The Year 2 Team are all truly excited about the school year ahead and are looking forward to seeing the children build on their learning from Year 1. We are so pleased to see so many children coming to school in their full school uniform and on time, so thank you for your continued support.

We are looking forward to seeing the children developing their love of learning this year and are certain that the children in Year 2 will enjoy school and achieve extremely well. Your child will be enjoying many exciting events and learning activities across the school year.

If you ever need to speak to a member of staff about your child's progress, please feel free to approach any of us and we'll be happy to help!

Theme Learning

Our Theme for this half-term is **'who lives in the woods?'** As scientists, the children will be looking at different animals and their habitats. As readers and writers, the children will have the chance to enjoy reading *The Last Wolf* before writing their own story with a woodland setting. The children will also experience some birds of prey, including owls, visiting school. As writers, they will use this learning to write a fact file about an owl.

Our Theme for next half-term will be **'In case of fire...'**

Reading at Home

Reading is our biggest focus for your child's learning. If they can read well, they can access such amazing things in their lives! Please read with your child or ask an older brother / sister to read with them every day and write a note in their Reading Record Book. They only need to spend around 10 minutes reading at home every day - *'little and often!'* Sharing a story and reading to your child will really help them too! **Happy reading!**

Your child will get a password for **MyMaths!** If you have access to the Internet, regular practice will really help your child with their Maths skills!
