What is happening in Year 6?

Dear Parents and Carers,

We hope that you and your family had an enjoyable Easter Holiday. We have now reached the Summer Term! This term is particularly important because this is the term that your child will do their SATs.

The children have worked extremely hard this year and have made great progress towards reaching the expected standards for the end of Year 6 - a massive achievement! Many of the children in the year group really enjoyed and showed fantastic progress during the Booster Groups over the Easter Holidays. We have also seen lots of fantastic learning during the after-school Booster Groups every Tuesday and Thursday.

Thank you from all of the Year 6 Team for making sure that your child does their homework and gets plenty of rest. This help and support will be very important to allow them to do their absolute best during SATs Week! Please see the dates below for when the tests will take place.

As ever, if you need to speak to a member of staff about your child's progress or about the SATs, please feel free to approach any member of the Year 6 Team and we'll be happy to help!
